

How to Log In to the Downtown Women OB/GYN Patient Portal Without a Password

Forgot your Patient Portal password? Not to worry! You may log in to the portal without knowing your password or contacting the office. You must have a valid mobile phone number on file with the practice for this option to work.

On the Patient Portal login page, choose *Login To Patient Portal*, then select the *Using Mobile Phone* option. Enter your first name, last name and date of birth to locate your portal account with the practice.

Welcome to Downtown Women OB/GYN

Our Patient Portal facilitates better communication with your physician's office by providing convenient 24/7 access from the comfort and privacy of your own home or office.
